

Benefit Tickets Go On Sale

Monday, January 9, 2017

Tickets will be sold in Row and Seat (much like tickets bought through Ticket Master)

- You will need to purchase all of your tickets at the same time due to numbered seating.
- This is a reserved seating event. Tickets are first come, first serve.
- Only children 2 years and younger will be free of charge and will be required to sit on the lap of an adult. You may purchase the child a ticket if you wish for them to have their own seat.
- You will not be able to choose your seat. We sell on best available seating.
- Please tell the staff if you or your party will need special disability or wheelchair accommodations.
- Do I want to be split up?
 - The “Split?” section on the form below indicates that you are willing to sit separate from your party; however, in close proximity as possible to ensure the best possible seating.

**THERE WILL BE NO TICKETS AVAILABLE FOR PURCHASE
AT THE DOOR ON WSSU CAMPUS**
