About greenNest and Up Off the Floor

greenNest is a unique local program that, for a small fee, provides household furnishings to individuals and families transitioning from shelters or homelessness to sustainable housing. Volunteers sort, clean, and organize furniture and household goods that have been donated by the community and then stage a "showroom" from which participants can make selections. Participants, accompanied by caseworkers from various partner agencies, choose donated items that best suit their needs. **greenNest** strives to provide a vital link in the journey from homelessness to independent living by partnering with agencies who have case management programs.

Up Off the Floor is a greenNest program that provides new beds for children in Forsyth County between the ages of 3-18 years. Referrals of families in need are made by Winston-Salem Forsyth County schools, Head Start, or Project Hope. Case managers at these programs identify students who are sleeping on the floor or do not have a safe sleeping space. As funding allows, **greenNest** supplies new twin beds, pillows, and bedding at no cost to the family.
