Please Remember:

Make sure you are dressed in your costume with your hair and makeup done, ready to go on stage when you arrive. If you are borrowing a costume from Triple Threat, we will have that at the theatre for you.

Make sure your name is in all of your shoes and that they are in good condition and fit.

Performers need to be responsible and organized!! Keep all of your things together - especially shoes!

We do not allow parents/guardians backstage during the performance. Drop your students off at the designated area. There are teachers and helpers responsible for younger classes.

You may leave after you are done with dress rehearsal; just be sure to be back at the theatre by 4:30pm.

If you have any questions, please feel free to ask. We want everyone to be as successful as possible!
