## Names/Costumes

It is very important to make sure that the student's name is in all shoes and costumes. This is especially important at performance time so that the students have what they need to go on stage. We can also identify items from other students. Please check your child's shoes to ensure they fit properly for the performance. Make sure that if your child brings a bag, it zips so things do not fall out and get lost.

## Dress Rehearsal

There is a separate Dress Rehearsal schedule for each Recital. **Each show's dress rehearsal will take place directly before its show.**

All students **must** attend dress rehearsal in order to perform in the recital. Attendance is very important to ensure that everyone has a successful performance.

Student(s) need to be dropped off with a Triple Threat staff member at the side door of the High Point Theatre, located on S Hamilton St.

**Parents are not allowed to stay backstage.** There will be assigned teachers and helpers to take the students to their proper dressing areas, during both the dress rehearsal and the recital. There will also be teachers

and helpers assigned to supervise and assist students.

Once your child has rehearsed each dance they are participating in, they may have a snack and something to drink and then will wait for the show to start.

**Please be at the High Point Theatre for your scheduled time slot, dressed and ready to go on stage. This includes your costume, dance shoes, and hair as they will need to be for the Recital.**

**A highlighted Dress Rehearsal Schedule is attached.**
